POLICY

It is the policy of the Center for Communication Disorders that all Center activities occur under the administration of a Center Director.

PURPOSE

The purpose of this policy is to provide a unified administrative structure within the Center for Communication Disorders to ensure quality speech-language pathology and audiology services and the achievement of the Center's stated goals.

PROCEDURES

1. The University allocates (or designates) a position of Director of the Center for Communication Disorders.
2. The qualifications for, and responsibilities of, the position of Center Director are outlined (under position descriptions attached to Policy Number 040). Where applicable, all University and labor agreements take precedence.
