Resolution to Ratify the Constitution of the University Library Committee

Whereas SCSU exists for the primary purpose of furthering academic excellence;

And whereas Library Services exists to further that purpose;

And whereas the University Library Committee, in its advisory capacity, plays a large role in the decisions that affect the function of Library Services and its effectiveness in meeting the needs of current and future library users in the Southern Connecticut State University community;

And whereas there currently exists no single document that delineates the charge, purview and membership of the University Library Committee;

And whereas the proposed University Library Committee Constitution would address that purpose;

Therefore, be it resolved that:

The Constitution of the University Library Committee be ratified and that the procedures it contains be implemented.

In accordance with the transition period (III.D) the first elections will be held in the Spring of 2009.
